

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC EXAMINATION OF THE)	
APPLICATION OF THE FUEL ADJUSTMENT)	CASE NO.
CLAUSE OF KENTUCKY POWER COMPANY)	2017-00282
FROM NOVEMBER 1, 2016 THROUGH APRIL)	
30, 2017)	

ORDER

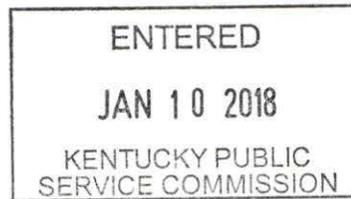

Pursuant to 807 KAR 5:056, the Commission established this case on August 30, 2017, to review and evaluate the operation of the Fuel Adjustment Clause (“FAC”) of Kentucky Power Company (“Kentucky Power”) for the six-month period that ended on April 30, 2017. As part of this review, Kentucky Power responded to two requests for information and the Commission held a formal hearing in this matter on October 16, 2017.

A review of Kentucky Power’s monthly FAC filings shows that the fuel cost billed for the six-month period under review ranged from a low of \$.02760 per kWh in March 2017, to a high of \$.02961 per kWh in November 2016, with a six-month average of \$.02818 per kWh.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds no evidence of improper calculation or application of Kentucky Power’s FAC charges or improper fuel procurement practices.

IT IS THEREFORE ORDERED that the charges and credits billed by Kentucky Power through its FAC for the period November 1, 2016, through April 30, 2017, are approved.

By the Commission
